Annual EEO Public File Report

The purpose of the EEO Public File Report (“Report”) is to comply with Section 73.2080(c) (6) of the FCC’s 2002 EEO Rule. This Report has been prepared on behalf of the Station Employment Unit that is comprised of the following stations: WPGH/WPMY, Pittsburgh PA and is required to be placed in the public inspection files of these stations, and posted on their web sites, if the stations have a web site.

The information contained in this Report covers the time period beginning 04-01-08 to and including 03-31-09 (the “Applicable Period”).

The FCC’s 2002 EEO Rule requires that this Report contain the following information:

1. A list of all full-time vacancies filled by the Stations comprising the Station Employment Unit during the Applicable Period.
2. For each such vacancy, the recruitment source(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c)(1)(ii) of the new EEO Rule, which should be separately identified by name, address, contact person and telephone number;
3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period;
4. Data reflecting the total number of persons interviewed for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
5. A list and brief description of the initiatives undertaken pursuant to Section(s) 73.2080(c) (2) of the FCC rules.

Appendices 1, 2, and 3, which follow, have been designed, in the aggregate, to provide the required information. Please note that the numbers listed on Appendix 2 under the column entitled “Full-time Positions for Which This Source Was Utilized” refer to the number of the full-time job positions listed on Appendix 1.

For the purposes of this Report, a vacancy was deemed “filled” not when the offer was extended but when the applicant accepted the job offer and started in the position. A person was deemed “interviewed” when he or she was interviewed in person or on the phone.

Appendix 3 to

Annual EEO Public File Report Form

Covering the Period from 04-01-08 to 03-31-09

Station(s) Comprising Station Employment Unit: WPGH/WPMY

Section 3: Supplemental (Non-Vacancy Specific) Recruitment Activities Undertaken by WPGH/WPMY

1. Activity: Career Fair/Internships

Date of Station Participation: April 3, 2008

Participating Employees: Trudy Miller, Human Resources Director, and Amy Preisendefer, Accountant

Host/Sponsor of Activity: WestPacs Spring College Job Fair - Jim Shields,
WestPacs President

Brief Description of Activity and Station Participation: This is the third WestPacs college fair we have attended – each time get better. The fair is a consortium of 44 universities and colleges in Western Pennsylvania and is huge in attendance. There were over 200 employers represented. There were over 3,000 students among which were alumni, graduating students and underclassmen.

We personally met with approximately 200 students and alumni, advising them of the positions we currently have open as well explaining the various positions within a broadcast station and the importance of obtaining an internship. We offered advice as to preparing the resume, keeping a positive attitude, and following up on all opportunities with persistence. Advised them to learn something about the company before an interview in order to ask intelligent questions.

We impressed upon them the necessity to visit our website to post their resumes and cover letters. We did, however, accept students' hard copies as it seemed important to them that we keep them on file. We also advised them to visit our website in the event they may want to relocate.

Attending these job fairs gives me the opportunity to gather a pool of prospects in the event an opening does occur.
